

PETRA User Group Meeting

Denver, Colorado

Wednesday, October 14th, 2009

IHS and the PETRA team cordially invite you to attend the PETRA User Group Meeting.

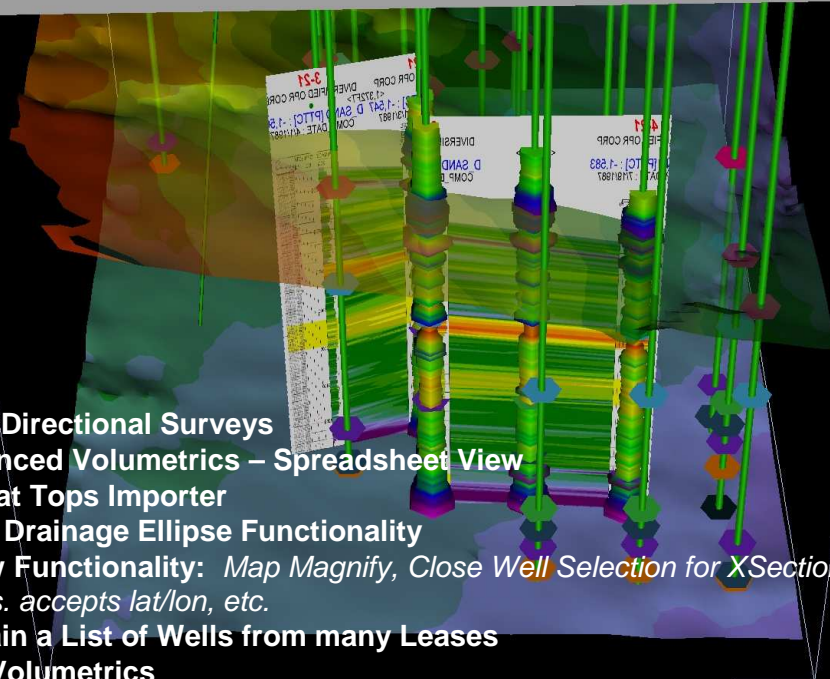

This is a great opportunity for current and prospective PETRA users to get together, share ideas and learn how others are utilizing PETRA on a daily basis.

If you are interested in attending please register on the IHS website [PETRA User Group](#) page.
We are required to provide an attendees list to security at Williams so please RSVP and bring a photo id.

Please include Denver PETRA UGM in the subject line.

If you would like to have your name added to the user group email list in your area, you may do so on the same IHS website. If you received this invitation directly from IHS you are already on the list. If you have any questions, please send them to petrausergroup@ihs.com.
