

DAILY ALERT RSS Feed

Get the daily alert straight to your desktop

The Source

for Critical Information and Insight™

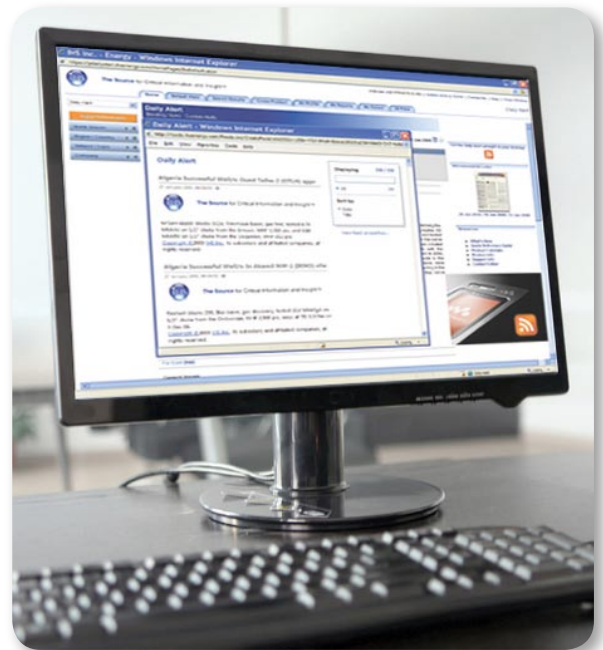

**Need the up to the minute exploration
or new ventures news delivered direct
to your desktop?**

IHS's latest development, the Daily Alert RSS Feed harnesses the power of RSS to deliver industry specific, relevant, robust global news straight to you.

Simply click the RSS button  to automatically receive the Daily Alert RSS Feed to your internet browser or reader (IE7 and Firefox have automatic readers built in), or even receive the Daily Alert on your web enabled mobile phone or PDA keeping you up to date no matter where you are.

Don't waste time looking for the content you need:

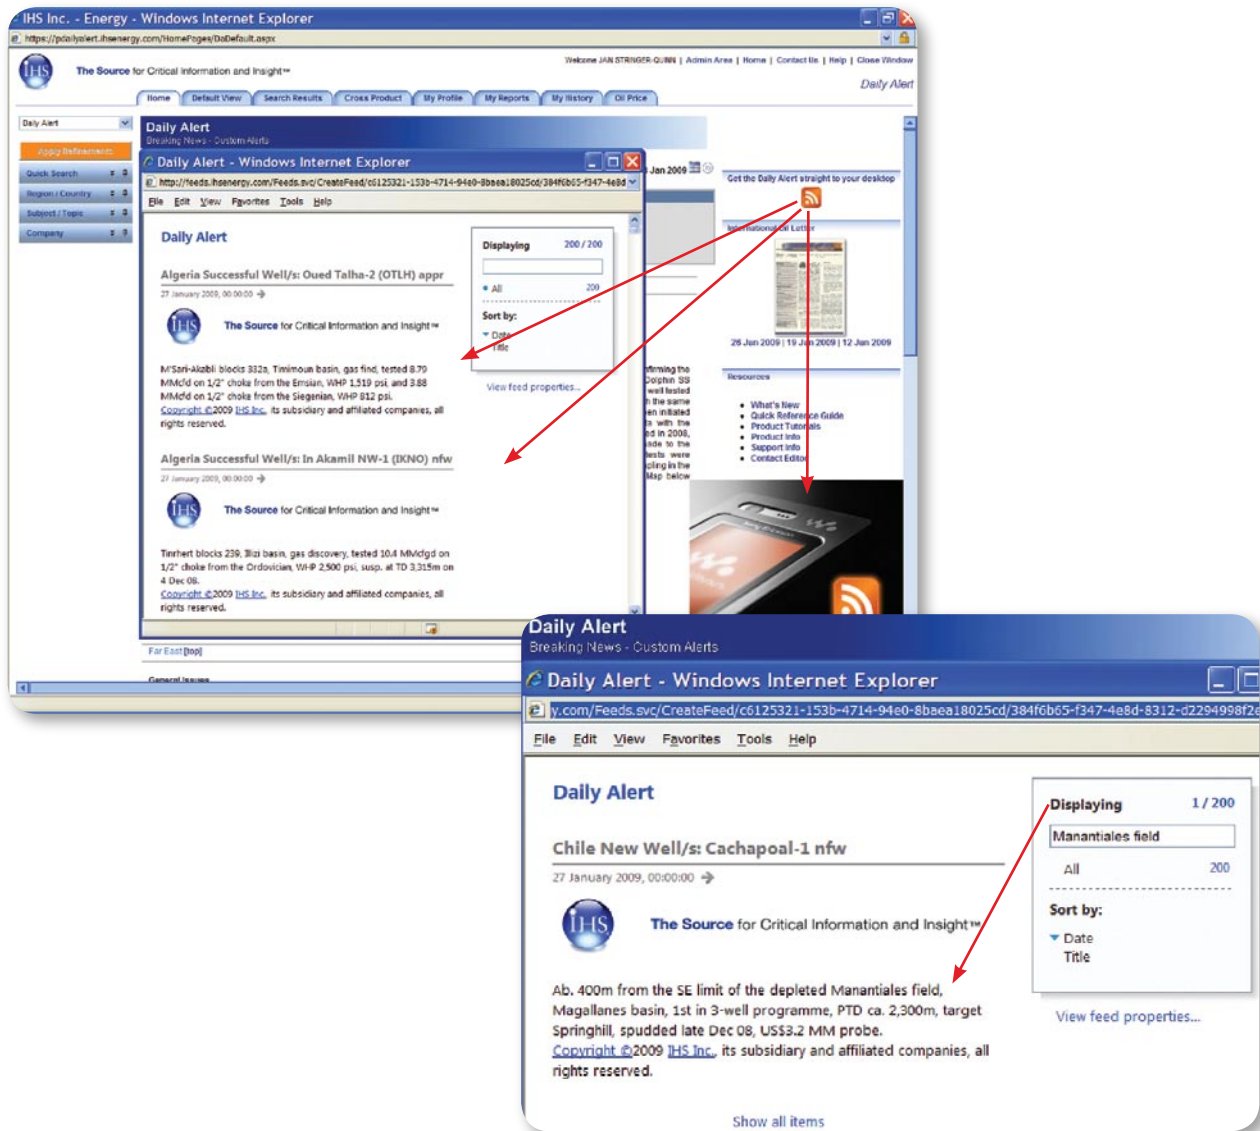

- Customise the RSS Feed to ensure you only receive content relevant to you.
- Use the Daily Alert RSS Search function to search for related documents fast.

The RSS Feed is FREE to existing Daily Alert customers.

Need to carry out deeper analysis of the issues raised in the Daily Alert? Access IHS's Global Exploration and Production Service (GEPS) and Petroleum Economics Policy Solutions (PEPS) for in depth answers.

Contact us today to find out how the Daily Alert delivered via an RSS feed can benefit you. For more information contact: geps@ihs.com
